

WELCOME

Welcome to Chinook Winds Casino Resort, where meetings are “Better at the Beach!” The perfect combination of coastline and casino fun, Chinook Winds boasts spectacular views of the Pacific Ocean from nearly anywhere on the property and casino action 24 hours a day.

The excitement starts on the casino floor with over 1100 slot machines, live keno, bingo, craps, roulette, blackjack, pai-gow, poker and more. Chinook Winds regularly hosts big name entertainers, hilarious “Comedy on the Coast” standup, and dozens of special promotions throughout the year. Across the property, you can dine in five restaurants, play a round on our 18-hole golf course, or just relax and enjoy the surf-top view from one of our 243 beachfront hotel rooms. Or, grab a towel, and enjoy our pool, sauna, and hot tub facilities. When you’re ready to explore, don’t miss the factory store shopping mall, deep-sea fishing, whale watching or seven miles of beach, all within minutes of the resort.
